

## ***Membership Appreciation & Annual Meeting Fundraiser***

ASID Illinois invites you to join us at the Membership Appreciation and Annual Meeting Boat cruise as a supporter of the most established professional Interior Design association in the country. This year we will hold an online silent auction during the month of July to help offset the costs.

We are also seeking sponsors who are willing to donate a suitable prize for our silent auction. Gift baskets are always popular, but any suitable product you could donate to us would be much appreciated. Some examples are a fine dining experience, lakefront Segway tour, exotic wine tasting or a hotel stay. By donating to the ASID Illinois Membership Appreciation and Annual Meeting silent auction, you will have an opportunity to promote your business to Interior Designers and Design Industry Partners all over the state of Illinois and virtually anywhere. Take advantage of this opportunity to reach a wide audience of design professionals and support your local ASID Illinois chapter.
